What is your make-up policy?

Make-up classes can be scheduled online, based on availability, and may be completed **before or after the missed class** within the current session. We do our best to accommodate all requests. If you have multiple children enrolled, please schedule a separate make-up class for each child.

What is your policy for accommodating children with special needs?

Lil' Kickers is an inclusive program for children with special needs as long as we can assist them appropriately. Please contact your Lil' Kickers coordinators for more information on where your child with special needs fits.

How is Lil' Kickers & Skills Institute different than other programs?

While many soccer programs use traditional soccer drills to teach soccer fundamentals, Lil' Kickers uses a child-centered perspective and makes learning fun for kids. Our coaching methodology uses special techniques designed around how kids naturally learn, building social, emotional and conscientious individuals on and off the soccer field.

As an extension of Lil' Kickers, Skills Institute maintains smaller group sizes to work on individual soccer development. We strive to educate, develop, and inspire kids to learn the skills necessary to progress to an academy or travel club.

Parent Attendance Policy

A parent or legal guardian must remain in the building for the entire duration of their child's class. This helps ensure the safety and support of all participants throughout the program.
