This league is designed for players U8 to HS. Teams are registered based on the birth year of the oldest player. Many divisions are offered initially but final composition of each division will be determined the number and types of teams registered. Teams may be asked to play up in order to make competitive divisions or age groups may be combined. Games are played at various times through the week and weekend. Teams may request time/day constraints but we make no promises that we can accommodate every request every weekend but will do our very best.
